

# New products from Oceanwell

*Sustainable algae-based cosmetics*

## For smooth cleansing:

### *Purifying ocean tonic*

**Impact:**

Highly concentrated algae extracts and pure seawater – ideal for cleansing your skin on a daily basis. This toning facial water is gentle on your skin and has both a refreshing and calming effect.

**Application:**

After cleansing your skin, immerse a damp cotton pad in Tonic and rub it gently across your face.  
Tip: Also ideal as a mild and refreshing after-shave

**Ingredients:**

Aqua, Maris Aqua, Saccharomyces/Laminaria Saccharina Ferment, Benzyl Alcohol, Sodium Benzoate, Potassium Sorbate

## For perfect intensive care:

### *Highly concentrated algae extracts*

**Impact:**

Algae extracts and ocean minerals moisturize, regenerate and revitalize the skin by stimulating its micro-circulation. Suitable for daily use and as a moisture cure.

**Application:**

Gently rub a few drops over clean skin and then apply your daily care lotion.

**Ingredients:**

Saccharomyces/Laminaria Saccharina Ferment, Maris Aqua, Xanthan Gum, Benzyl Alcohol, Glycerin, Benzoic Acid, Sorbic Acid

All Oceanwell products are:
